Life Group Questions | Sunday, June 10, 2018

When have you experienced a faith sensation like in rappelling or a trust fall exercise? How would you describe that feeling?

Read Hebrews 11. What do you notice about this passage describing biblical faith? What themes and through-lines do you see? What captures your curiosity?

Read John 11:25. What's the difference between faith in an idea versus faith in a person? How do you see that playing out in your life of faith?

Who are you trusting with your life? In what ways is it easy to trust Jesus? In what ways is it difficult?

Read Mark 9:23-24. Do you relate to the father's words in this story? How so? As you feel comfortable, share about a time when you held both belief and unbelief. How did that time impact your and God's relationship?

Pray together.
