

FAITH WORKS

Life Group Questions | Sunday, July 1, 2018

Philosopher Michael Novak suggests we have three different types of beliefs. Discuss the following belief types:

Public beliefs are just words.

Private beliefs are what we think we believe.

Core beliefs are shown to be true by our actions.

What are your core beliefs? How do those beliefs inform your daily actions and choices?

When have you had a “getting in the wheelbarrow” experience? What was that like? How did it impact you?

Read James 2:14-26. What stands out to you in this passage? How would you describe the relationship between faith and works/deeds?

Read Hebrews 11:32-39. What inspires you or challenges you about this text? Who is in your “Hall of Faith?” What about their life and character demonstrated real faith?

Take a minute or so for silent reflection. Where might God be inviting you to grow and expand in faith that works?

Pray together.
